

Title: SOHO Users Working With Several Computers and Only A Single Display

Product:	ATEN VS-491 4 Port Video Switch
Location:	Small Office and Home
Challenge:	A potential customer disposes of computers for various uses and needs. For Example, one computer is for storing personal data, another one is the network server, and the other two are for testing.
Solution:	Using ATEN 4 Port Video Switch to connect 4 independent computers to display their video outputs on a single monitor. There is no need to purchase extra monitors for each computer.
Advantage:	To save the expanse of purchasing extra monitors
