2X-EA11

C20 EZ-Lok Plug Connector

For better power stability, ATEN has developed the EZ-Lok Plug Connector to secure the connection of a power cord's plug with the PDU outlet. With a simple installation, the EZ-Lok Plug Connector will ensure that the power cord and PDU outlet never come apart without your assistance.

Features

- Ensures power reliability by enhancing the plug's stability
- Intuitive and reusable design for easy installation and removal
- Environmentally safe – RoHS compliant and recyclable
