CH1508AiKIT

8 Port CAT5 IP KVM Bundle w/ 17in. LCD Console (2U)

ATEN's 17" LCD integrated console and 8-port Cat5 IP KVM bundle offers a streamlined and economic approach to IT environments. The CL1000M, incorporates a keyboard with touchpad and a 17" LCD monitor into a 1U Slideaway housing.

The bundled ATEN KVM, KH1508i, allows you to manage 8 computers either directly from the CL1000M, or via a built in RJ45 console port, remotely from anyplace on your network or the internet, and through Daisy Chaining your installation can be expanded to cover up to 256 computers.
