Simply Better Connections

IC320U

2-Port USB 3.0 PCI-e Card

ATEN IC320 is a 2-port USB 3.0 PCI-e Card, which supports USB 3.0 Super-Speed devices. It provides speeds of up to 10x faster than that of USB 2.0, enabling you to access and transfer your data much faster simply by adding two USB 3.0 ports to your PCI Express-capable PC. It is backwards compatible with USB 2.0 and USB 1.1, ensuring compatibility with existing devices.
The new USB 3.0 standard supports transfer rates of up to 5 Gb per second. You can back up large volumes of data, such as high definition videos and high resolution photos, to an external USB 3.0 drive quickly within a short amount of time. In addition, the IC320 2-Port USB 3.0 PCI-e Card also supplies 900mA of power per USB port, allowing more external devices to operate without the need of an additional power source.

USB IF

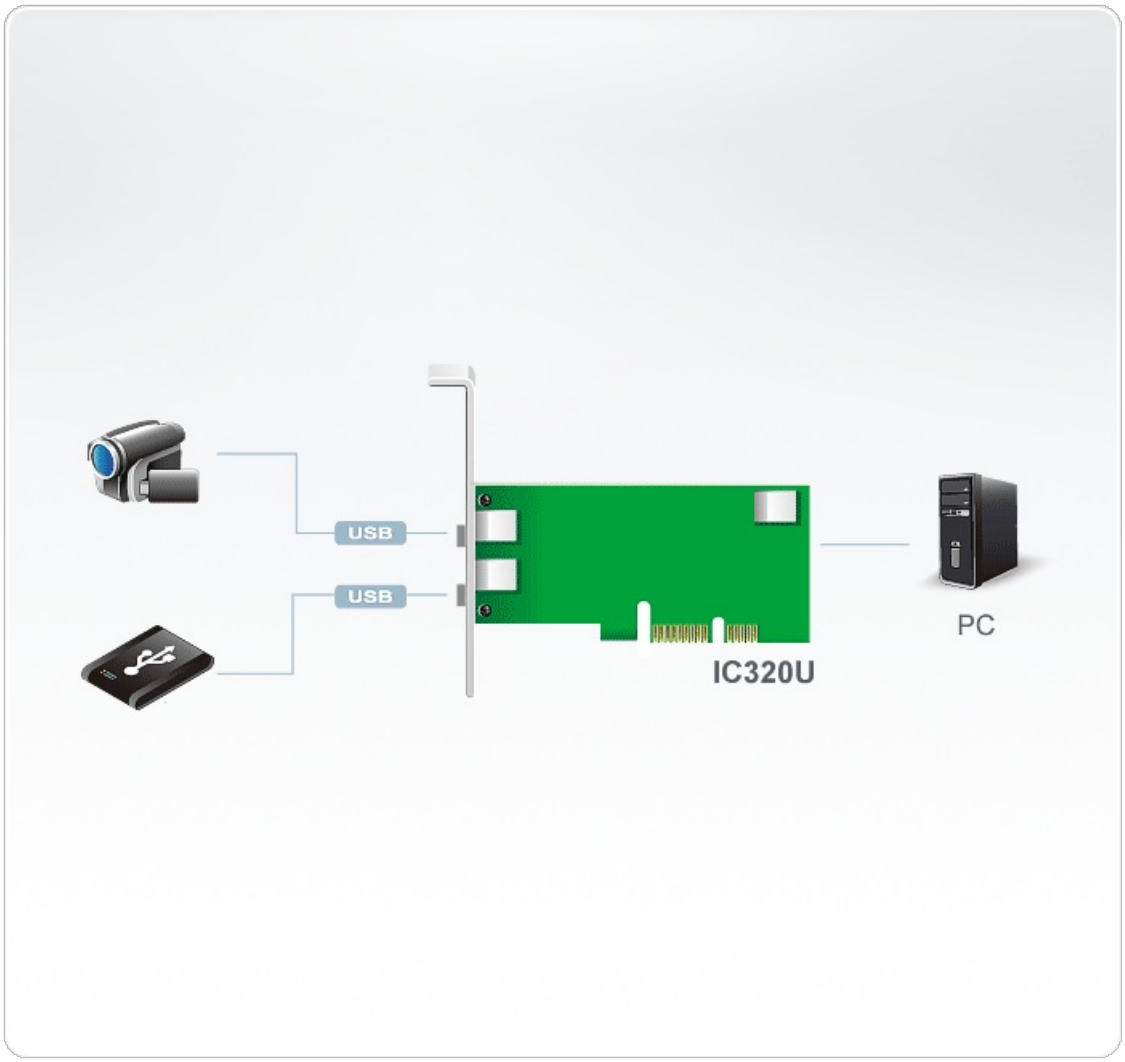

Features

- Adds 2 downstream ports on your system
- Fully complies with USB 3.0 specifications
- Conforms to PCI Express Base Specification 2.0
- Backwards compatible with USB 1.1 and 2.0 devices
- USB-IF certified

Specification

Connectors	
USB Port	2 x USB 3.0 Type A
LEDs	2 (Green)
Maximum Transfer Rate	5 Gbps
Maximum Current	900 mA per port
Environmental	
Operating Temperature	0-50°C
Storage Temperature	-20-60°C
Humidity	0-80% RH, Non-condensing
Physical Properties	
Housing	Plastic, Metal
Weight	42 g
Dimensions (L x W x H)	12.10 x 0.83 x 0.22 cm
Note	For some of rack mount products, please note that the standard physical dimensions of WxDxH are expressed using a LxWxH format.
