Stunning 4K Clarity with HDR Enhancement

Featuring True 4K visual clarity, the addition of HDR further delivers stunning video quality by enhancing brightness, contrast, and color range for more vibrant and vivid images.

Captivating Cinematic Audio-Visual Mastery

- Up to 32 channels for an ultimate surround sound experience
- 1536 kHz audio sample rate for realistic audio presentation
- Ultra-wide 21:9 aspect ratio for cinema-level video experience

Dive In Like You're Living It!

Have all the fun in a more engaging game with sharp images, multi-perspective views, reduced motion blur and enhanced smoothness for a more immersive 3D gaming experience.

Exceptional 18 Gbps High Speed Transmission

The high speed HDMI cable transmits signals at speeds of up to 18 Gbps, providing crystal-clear True 4K visuals without any flashing or ghosting in the video.
