

## Mobile App

ATEN Control System - Mobile App

The Mobile App is a free app that supports iOS, Android, and Windows operating systems, as well as different types of mobile devices such as smart phones, pads, and tablet PCs. The app allows you to download multiple viewer profiles from a Control Box to gain control of the hardware devices in different rooms. The control status of different mobile devices is synchronized without conflict, while the built-in user authentication ensures security by filtering the access rights.

\* iOS: 10.0 or later
