

## **PE0218S**

1U Basic PDU with Surge Protection

PE0218SA

ATEN's Basic PDU family is extended with 1U members containing 18 outlets and available in IEC or NEMA socket configurations. The compact aluminum housing gives a sleek, yet robust look while minimizing installation space for work space efficiency. Thanks to the built-in surge protection module, the IT devices connected to the PDU are well-protected from sudden surges in electricity. The Basic PDUs are tailored made for individuals who are in need of industrial-grade, easy-to-deploy power distribution unit in data centers, server rooms, and network wiring closets.

Note: The warranty does not cover any accessories external to the product like the surge protection module.

## Features

- Space saving 1U rack mount design
  IEC or NEMA outlet models
- Surge protection
- Aluminum material .
- Works with data centers, server rooms, and telecom equipment

## Specification

| Function                           | PE0218SA  | PE0218SB  | PE0218SG  |
