

PU320

2-Port USB 3.0 Express Card

ATEN PU320 is a 2-port USB 3.0 Express card, which supports USB 3.0 Super-Speed devices. It provides speeds of up to 10x faster than that of USB 2.0, enabling you to access and transfer data much faster simply by adding two USB 3.0 ports to your PCI Express-capable notebook. It is backwards compatible with USB 2.0 and USB 1.1, ensuring compatibility with existing devices. The new USB 3.0 standard supports transfer rates of up to 5 Gb per second. You can back up large volumes of data, such as high definition videos and high resolution photos, to an external USB 3.0 drive quickly within a short amount of time. In addition, the PU320 2-Port USB 3.0 Express card also supplies 900mA of power per USB port, allowing more external devices to operate without the need of an additional power source.

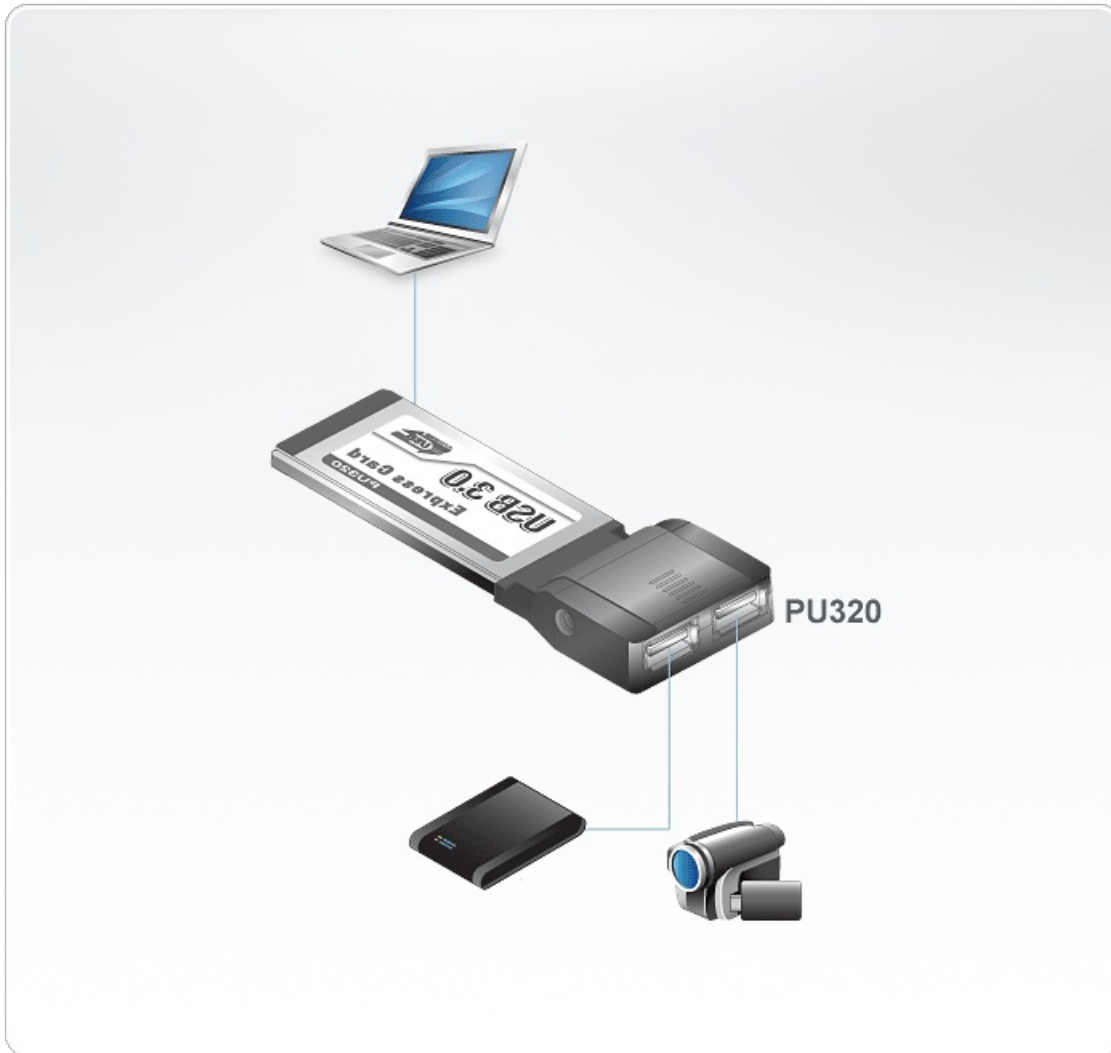

Fonctionnalités

- Adds 2 downstream ports to your notebook
- Fully complies with USB 3.0 specifications
- Conforms to ExpressCard/34mm Type II standard
- Backwards compatible with USB 1.1 and 2.0 devices
- Includes power adapter for enhanced power supply
- USB-IF certified

Caractéristiques

Connecteurs	
Port USB	2 x USB 3.0 Type A
Alimentation	1 x Fiche CC
Taux de transfert maximum	5 Gbps
Consommation électrique	5 V CC, 11 W Remarque: ● La mesure en watts indique la consommation électrique typique de l'appareil sans charge externe. ● La mesure en BTU/h indique la consommation d'énergie de l'appareil lorsqu'il est entièrement chargé.
Courant maximal	900 mA par port (avec adaptateur secteur)
Environnement	
Température de fonctionnement	0-50°C
Température de stockage	-20-60°C
Humidité	0-80 % d'humidité relative, sans condensation
Propriétés physiques	
Boîtier	Plastique et Métal
Poids	32 g
Dimensions (L x l x H)	11.56 x 4.00 x 1.40 cm
Remarque	Pour certains produits montés en rack, notez que les dimensions physiques standard LaxPxH sont exprimées avec un format LoxLaxH.
