

## VS231

2-Port HDTV A/V Switch

The 2 port VS231 makes plugging and unplugging devices a thing of the past. This high quality component video (YPbPr) switch with on-board stereo audio is perfect for HDTV enthusiasts who want to add more inputs to their high-definition display. Use VS231 to effortlessly connect a DVD player and set-top box or satellite receiver to your HDTV or projector.

The IR remote is an added convenience, allowing you to enjoy multimedia switching from the comfort of your seat. The VS231 and HDTV switch supports high-end digital video devices such as DVD players and recorders, set-top boxes, satellite receivers, and more. It also works well for high-definition editing systems.

### Features

- Displays the video output of two digital devices on a single high definition monitor or projector.
- Stereo audio support.
- Quick and easy switching via front panel pushbuttons or IR remote control.
- Electronic switching for greater reliability and durability.
- Easy installation.
- Complete home theater switching solution.
