

## BP-S

### Blank Rack Panel

ATEN offers a wide range of flexible rack accessories to meet the needs of IT personnel for managing racks and installing equipment. All accessories are functional, ensuring the safe operation of equipment and personnel, and can be easily applied to different rack configurations.

The ATEN 1U / 2U / 3U Blank Rack Panel complies with the latest EIA/ECA-310-E standards and is tool-free for installation and removal. It features a width of 482 mm, a depth of 14 mm, and is available in 1U, 2U, and 3U height options, with both white and black variants available for selection.

This 1U / 2U / 3U Blank Rack Panel is suitable for ATEN or other brands' 19-inch racks, providing functions such as filling rack space and airflow management. It also offers dust protection, aesthetic appeal, and protection, ensuring stable and secure operation of the equipment.

#### Features

- Manufactured in compliance with the latest EIA/ECA-310-E standards, ensuring safety, weight tolerance, and stability
