

RA2600

1U Horizontal Cable Duct

ATEN offers a variety of flexible rack accessories to meet the needs of IT personnel for managing racks and installing equipment. All accessories are functional, ensuring the safe operation of equipment and personnel, and can be applied flexibly to meet different rack configuration needs.

The ATEN 1U Horizontal Cable Duct features a 1U height design and comes with 12 ring-shaped openings, allowing for effective horizontal cable routing within the rack and preventing tangling or knotting. The product dimensions are 44 × 482 × 70 mm (H × W × D), and it is available in both white and black variants. This cable duct is suitable for ATEN or other brands of 19-inch racks and can be flexibly installed at any position within the rack to maintain organized cabling.
