Rack Mount Bracket

ATEN offers a variety of flexible rack accessories to meet the needs of IT personnel for managing racks and installing equipment. All accessories are functional, ensuring the safe operation of equipment and personnel, and can be applied flexibly to meet different rack configuration needs.

The ATEN Rack Mount Bracket, when used in conjunction with the ATEN Fixed Rack Shelf, can support equipment such as servers and network switches, with a total weight capacity of up to 50 kg. It has a height of 35 mm and a width of 45 mm. The depth options are 540 mm, 640 mm, and 695 mm, and it is available in both white and black variants.

This Rack Mount Bracket is suitable for ATEN 19-inch racks, server racks, and network racks and can be installed at any height on the rack's adjustable vertical rails.

Features

- Supports servers, network switches, and other equipment, with a total weight capacity of up to 50 kg
 - Must be used in conjunction with the ATEN Fixed Rack Shelf
 - Compatible with ATEN 19-inch racks, server racks, and network racks
