

EHS-QCS

12U Quiet Cabinet

ATEN 12U Quiet Cabinet EHS-127870-19 is a sound reducing quiet rack designed to enclose extra loud equipment such as servers, routers, UPS systems, switches, audio/video devices. It provides straightforward equipment organization, excellent security and simple cable management while enabling optimum airflow.

To simplify deployment, the 12U Quiet Cabinet comes with casters and leveling feet. The casters allow the cabinet to be easily maneuvered into the desired location, where it can then be secured in place by adjusting the leveling feet. The cabinet contains a locking and removable glass front door that is visible and ideal for monitoring; locking doors prevent unauthorized access to installed equipment.

The Quiet Cabinet features large 12U space saving and exceptional noise reduction performance, especially effective at elimination high frequency noise that features to attenuate up to 15dB of noise. It can be associated with ATEN power distribution unit (PDU) to provide users with a total solution that is ideal for any office environment, cinema and other workplace where requires the noise control and stays clean and quiet in a particular space. It is also perfect for those users in SOHO, (audio/video) streaming studios and even small business enterprises.

- Physical capacity – features 12U rack spaces
- Locking rear panel – completely removable for easy equipment access
- Dust ingress protection – provides removable and washable filters

Especificações

Função	EHS-QCS
Número da peça	YFBU-127870-034 for 115V fan and YFBU-127870-035 for 230V fan.
Propriedades físicas	
Altura do Rack (Espaços U)	12U
Tipo	Quiet Cabinet
Cor	Beech (Laminate)
Dimensões da unidade (A*L*P)	72.6 x 70.0 x 78.0 cm
Dimensões da embalagem (A x L x P)	85 x 90 x 82 cm
Peso da embalagem	76.5kg
Peso da unidade	72kg
Capacidade de peso, estacionária	250kg
Fluxo de ar	3 x ultra-quiet fan* (120 CFM)
Certificações	
Certificações	UL
Nota	The voltage and type of fans: you can order YFBU-127870-034 for 115V and YFBU-127870-035 for 230V.
