

VE8900 / VE8950 Control App

VE8900/VE8950 Control App – Mobile App

Simple Setup and Login

Auto scan the network for ATEN Video Extenders and tap on any transmitter or receiver to log in.

Instant Switching and Control

Switch video sources instantly via your mobile device by simply selecting the transmitter source and the target receiver. The design also allows you to switch a video source to multiple receivers at once.

The screenshot shows the configuration screen for profile P005. The top status bar displays signal strength, Wi-Fi, 9:41 AM, and 100% battery. The app header shows a back arrow and the title P005 Profile Name. The form contains the following fields: Start Date (2019/01/01 02:00), End Date (2019/01/0 06:00), and Repeat (Daily). The bottom navigation bar is not visible in this view.

Calendar-based Scheduling

Check and revise the display schedule on-the-go to save time, related costs, and streamline daily operations.

Talk to Our Experts

If you prefer to have ATEN contact you, please complete the form and a representative will be in touch with you shortly
